

OGUAGU EKENECHUKWU DAVID

Senior Frontend Engineer (React | Next.js | TypeScript)

Nigeria (Remote) • softthink02@gmail.com • +234 813 290 7351

PROFESSIONAL SUMMARY

Senior Frontend Engineer with 5+ years of experience designing and building high-performance, scalable web applications using modern React ecosystems. Deep understanding of JavaScript internals, React architecture, and frontend performance engineering. Proven experience working with international clients, delivering production-grade applications with strong focus on maintainability, accessibility, and user experience. Comfortable working across time zones and collaborating in distributed teams.

CORE COMPETENCIES

Advanced JavaScript • React Internals • Performance Optimization • Scalable Architecture • TypeScript • SSR/SSG/ISR • State Management • Frontend Security • Testing • CI/CD

TECH STACK

Frontend: React, Next.js, TypeScript, JavaScript (ES6+), TailwindCSS

State & Data: Redux Toolkit, Zustand, React Query

Backend: Node.js, Express, REST APIs

Tools: Git, GitHub, Docker (basics), CI/CD, Postman

Testing: Vitest, React Testing Library, Playwright

PROFESSIONAL EXPERIENCE

Senior Frontend Developer (Freelance) — Remote (2021 – Present)

- Architected scalable frontend systems using React and Next.js
- Built high-performance UIs with optimized rendering and state management
- Applied profiling, memoization, and bundle analysis for performance tuning
- Designed reusable component systems and frontend architectures
- Implemented secure authentication and frontend security best practices
- Collaborated across time zones with international teams

SELECTED PROJECTS

Enterprise Admin Dashboard: Scalable architecture and optimized state handling

Real-Time Whiteboard: Efficient real-time rendering and synchronization

Kanban Board: Virtualization and render optimization

Authentication Platform: Secure token handling and protection strategies

Blog Platform: SSR/ISR with SEO and caching optimization

EDUCATION

BSc Industrial Chemistry — Nnamdi Azikiwe University

ADDITIONAL INFORMATION

Fluent in English • Remote-ready • Comfortable across time zones • Strong communication skills
